“You can only become truly accomplished at something you love. Don’t make money your goal. Instead pursue the things you love doing and then do them so well that people can’t take their eyes off of you.”
Maya Angelou 1928-2014

Caswell County Health Department Mission Statement

The mission of the Caswell County Health Department is to protect the health and welfare of Caswell County citizens and to meet the county's health needs through direct services, assessment and evaluation, and community partnerships.

We hold the following core values to fulfill this mission:

- Health Promotion..... We emphasize the importance of healthy lifestyles and behaviors that lead to an enhanced quality of life and lower health risk.*
- Prevention..... We act promptly to prevent the spread of communicable diseases and to lower risk factors that lead to chronic disease.*
- Environment..... We work to ensure food safety, clean drinking water, clean air, and a safe environment.*
- Partnerships..... We cooperate with community, state, and national partners to meet the needs of the citizens.*
- Quality..... We strive to meet the highest standards of quality as we provide services to our citizens.*
