Interim County Manager
PO Box 98
Yanceyville, NC 27379**

Dear Mrs. Paschal:

I would like to inform you that I am resigning from my position as Finance Director for Caswell County, **effective January 29, 2025.**

Thank you for the opportunity for professional and personal development that you have provided me with during my time with Caswell. You are a great manager that is very knowledgeable and a role model to me. Rockingham is home to me, and I miss the relationships and bonds with fellow employees that I have built over the years there.

Please extend my many thanks and appreciation to the Caswell County Board of Commissioners. They are a great group of folks and will do great things for the citizens of Caswell County.

Please know this decision was a difficult one for me to make because I value the goal of being a Finance Officer. However, I miss being a part of the Rockingham County team and the role of Deputy Finance Officer.

Please let me know how I can assist with the transition process. I hope you and the County continue to succeed in the future.

Respectfully,

Justin M. Thacker
